Date of the Activity: 21-11-2020

CJITS-NSS team organized awareness program on : DIABETES CAMP AT JANGAON on 21-11-2020. In this program all heads of the department, staff members and students have participated.

: DIABETES CAMP AT JANGAON.

Today organized : DIABETES CAMP at JANGAON on the 21-11-2020 in Dist: JANGAON. Though there were fewer patients today due to the festivities the villagers that turned up were lacking in body health. Awareness and the lack of Healthy food Habits among the villagers is a cause for concern. They would only visit the doctor when they are ill. This, when preventive care coupled with a yearly visit to the doctor, could prevent major issues. The necessity of the RURAL : DIABETES CENTER is not only to be felt in India but also in the Developing Countries. After all, a Majority of the population resides in the villages where they are devoid of Basic health Care. The poor and the Underprivileged living in the rural areas have no one to fall back to help for their diabetes. This is where the CJITS college can come forward to support me in my Endeavour. Report for the RURAL : DIABETES CENTER Project for INDIA and the DEVELOPING Countries. All they need is to come on board the CJITS and help steer us in our mission.
