SUMMARY REPORT ON ADD-ON PROGRAM RIVET

The Add-On Program is successfully conducted at Christu Jyothi Institute Of Technology And Science Jangaon. The program was conducted from 17/03/2023 TO 04/04/2023 at CE department for the academic year 2022-2023. This program was conducted for all the B.TECH Students of IV year from 10:00 AM to 1:00 PM daily on topic of "RIVET" Total 30 students attended the program and the exam was conducted to the students on the last day of the program and feedback was collected. It has a high impact to improve the skills that can help the students in their career.

I thank all the faculty and students of CJITS for their support to complete the program successfully and special thanks to the technical staff for their support.

The outcome of the program **RIVET** WAS;

- Revit enables professionals to access design and rendering functions in a single program.
- Student will learn to develop higher-quality, more accurate architectural designs; use tools specifically built to support Building Information Modeling workflows

The program was conducted from 17/03/2023 TO 04/04/2023 at CSE department for the academic year 2022-2023. This program was conducted for all the B.TECH Students of IV year from 10:00 AM to 01:00 PM daily on topic of "INTERNET OF THINGS"

Total 30 students attended the program and the exam was conducted to the students on the last day of the program and feedback was collected. It has a high impact to improve the skills that can help the students in their career.

I thank all the faculty and students of CJITS for their support to complete the program successfully and special thanks to the technical staff for their support.

The outcome of the program **INTERNET OF THINGS** WAS;

- To improve the efficiency of decision making processes and planning.
- Provide efficient means for data distribution and handling.

SUMMARY REPORT ON ADD-ON PROGRAM EV TECHNOLOGY

The Add-On Program is successfully conducted at Christu Jyothi Institute Of Technology And Science Jangaon. The program was conducted from 14/09/2022 TO 29/09/2022 at EEE department for the academic year 2022-2023. This program was conducted for all the B.TECH Students of IV year from 10:00 AM to 1:00 PM daily on topic of EV TECHNOLOGY Total 30 students attended the program and the last day of the program student feedback was collected. It has a high impact to improve the skills that can help the students in their career.

I thank all the faculty and students of CJITS for their support to complete the program successfully and special thanks to the technical staff for their support.

The outcome of the program EV TECHNOLOGY WAS;

- To improve the efficiency How do EVs affect the electric grid
- The rise of EVs affect natural resources.

ADD-ON PROGRAM

INTRODUCTION TO ROBOTICS

The Add-On Program is successfully conducted at Christu Jyothi Institute Of Technology And Science Jangaon. The program was conducted from 17/03/2023 TO 04/04/2023 at ME department for the academic year 2022-2023. This program was conducted for all the B. TECH Students of II & IV year from 1:30 PM to 4:30 PM daily on topic of "INTRODUCTION TO ROBOTICS". Total 30 students attended the program and the exam was conducted to the students on the last day of the program and feedback was collected. It has a high impact to improve the skills that can help the students in their career.

I thank all the faculty and students of CJITS for their support to complete the program successfully and special thanks to the technical staff for their support.

The outcome of the program **INTRODUCTION TO ROBOTICS WAS;**

- Understanding of Robotics Definition:
- Knowledge of Robotics History:
- Familiarity with Robot Components:
