NBA Accredited Programme, Affiliated to AICTE & JNTU-Hyd

5.3.2 – - Institution facilitates students' representation and engagement in various administrative, co-curricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

The institute warmly embraces and encourages the dynamic engagement of its students, a process initiated through thoughtful nominations by Heads of Departments (HODs) and the esteemed Principal. Certainly, the institute values its Cultural Committee and Sports Committee, both crucial in coordinating a varied range of activities that contribute vibrancy to the institution's academic landscape.

In adherence to established provisions, a Students' Council is meticulously formed within the college, wherein the President and Secretary of this council assume pivotal roles as members of the College Level Committees. The Students' Council stands as a beacon of representation, offering students a platform to actively participate in the college's affairs, working diligently for the collective benefit of both the institution and its diverse student body.

The primary objective behind the creation of this council transcends mere representation; it aspires to foster robust communication channels among students, faculty, and management. This, in turn, cultivates an environment conducive to holistic educational and personal development. The council further pledges its unwavering support to the overall development of the college, acting as a voice that articulates the concerns and aspirations of the student community.

Beyond the predominant Students' Council, the college manifests its commitment to inclusivity through the establishment of various academic and administrative committees. These encompass the Anti-ragging Committee, Women's Grievances Committee, Sports Committee, Cultural Committee, NSS Committee, E-Magazine Committee, Career Guidance Committee, and Departmental Student Forums. Within these committees, students actively contribute their energy and ideas to the careful planning of diverse events that enhance the fabric of institutional life.
